Follow-Up Report from the Programme Approval Group for the
Faculty of Law, Business and Social Sciences

Mrs R Cole, Senate Office

In its initial report to ASC, the Programme Approval Group (PAG) recommended approval of the following proposals subject to conditions which have now been met. The Group therefore recommends that these new programmes be approved.

BSc Environmental Stewardship (Dumfries Campus)	New
MSc Working with Communities	New

In respect of the following proposal - recommended provisionally by the PAG to the Committee - evidence has not yet been received that the PAG's conditions for approval have been met. Once the PAG is satisfied with this proposal it will be submitted for consideration under summer powers.

MSc International Planning and Urban Policy	New
---	-----

For the following proposed programme the PAG was unable to recommend approval to ASC in April for reasons identified in the report. Having considered the amended proposal, the Group now recommends that the programme be approved, subject to minor amendments. Once the minor amendments have been completed, the proposal will be submitted for approval under summer powers.

LLM Contemporary Law and Practice	New
