Follow-Up Report from the Programme Approval Group for the
Faculties of Science and Engineering

Ms H Clegg, Senate Office

In its initial report to ASC, the Programme Approval Group (PAG) recommended approval of the following proposals subject to conditions which have now been met. The Group therefore recommends that these new and amended programmes be approved.

Faculty of Engineering

- *BEng Biomedical Engineering* *New*
- *MEng Biomedical Engineering* *New*

Faculties of Science

- *BSc Hons Theoretical Physics* *New*
- *MSc Chemistry* *New*
- *MSc Chemistry with Medicinal Chemistry* *New*

In respect of the following proposals – referred back to Faculty – further information on the Faculty scrutiny has been provided, however evidence has not yet been received that all the PAG's conditions for approval have been met. Once the PAG is satisfied with these proposals they will be submitted for consideration under summer powers. Depending on the timing of approval, these programmes may be listed in the *University Calendar* as 'subject to Senate approval'.

Faculties of Science

- *MSc Applied Population & Statistical Mapping* *New*
- *MSc Landscape Monitoring & Mapping* *New*
- *MSc Astrophysics* *New*
- *MSc Physics: Advanced Materials* *New*
- *MSc Physics: Energy and the Environment* *New*
- *MSc Physics: Life Sciences* *New*
- *MSc Physics: Global Security* *New*
- *MSc Theoretical Physics* *New*
