Follow-Up Report from the Programme Approval Group for the
College of Social Sciences

Ms H Clegg, Senate Office

In its initial report to ASC, the Programme Approval Group (PAG) recommended approval of the following proposals subject to conditions which have now been met. **The Group therefore recommends that these new programmes be approved:**

MSc Corporate Governance and Accountability (originally proposed with the title 'MSc Governance and Accountability')	New
MSc Teaching English to Speakers of Other Languages (TESOL)	New
MSc English Language Studies (originally proposed with the title 'MSc Working with World Englishes')	New

For the following proposed programme the PAG had been unable to recommend approval because no evidence of consultation with the student body could be found in the documents selected for spot-checking. The College has advised that consultation has not taken place as it was not considered possible; however, the Convener of the Programme Approval Group has advised that this is required. Therefore, approval cannot yet be recommended:

PgCert Primary Science	New

The College has decided to delay the introduction of the following new programme until 2013-14; the proposal will be revised and resubmitted at a later date:

MSc Advanced Community Development
