Audit Report on Course Approval Activity 2016-17

College of Social Sciences

Total Numbers of Course Proposals (both UG and PG)

Note these numbers include the Centre for Open Studies (CFoS) courses, which, although appearing under the College of Social Sciences (CoSS) for PIP/course approval purposes, are not College of Social Sciences owned courses and therefore a breakdown by CoSS and CfOS courses is also provided.

Note that many of the 218 proposals listed as *amend courses academic approval* proved in fact to be corrections when checked by College e.g. all the Social & Political Sciences and Law amend undergraduate course proposals are in fact corrections but have been erroneously submitted/categorised as academic amendments and so show in the total reported below from the PIP system. Schools will be advised for the coming session that “corrections” must be selected under the “Type of change” for an Amend Course Proposal in the PIP system if that is what is required.

<i>Proposal Type</i>	<i>Number of proposals approved</i>	<i>Number of proposals audited</i>
<i>New course</i>	149 Total (96 CoSS, 54 CFoS)	15
<i>Amend course academic approval</i>	218 (214 CoSS, 4 CFoS)	22 (note that many more UG proposals were checked, in particular for SPS and Law, but all proved to be corrections so are not listed below)
<i>Withdraw course</i>	47 (CoSS)	5
